Whereas Gallaudet University was the first, and is still the only, institution in the world that focuses on educational programs for deaf and hard-of-hearing students from the pre-school through the doctoral level;

Whereas Gallaudet University has been a world leader in the fields of education and research for more than a century; and

Whereas, since 1869, graduates of Gallaudet University have pursued distinguished careers of leadership in the United States and throughout the world: Now, therefore, be it
